1. In your internet browser, please navigate to:
www.IllinoisSenateDemocrats.com.
2. In the menu bar, click **Contact Us**.
3. A new page will load showing all members of the Illinois Senate Democratic Caucus, their district number and the phone number to their legislative offices at the State Capitol in Springfield.
4. Find the member you wish to contact in the list and click on their name in the first column.
5. The **Contact Us** form from that member's homepage will load in a new browser tab.
6. Here you may enter your contact information, a general topic and a brief message for your senator.
7. Each senator's contact us page will also have their office address(es) and phone numbers, both in district and in Springfield.

If for any reason you are still having trouble contacting any member of the Illinois Senate Democratic Caucus, you may also try to contact either our Springfield or Chicago offices and someone will be able to assist you further in reaching out to your senator.
