

HB 0028	Establishes a process in which a person is appointed by the court to take possession of, manage, transfer, lease, sell, or otherwise dispose of receivership property.
HB 0297	Creates a mandatory interest arbitration procedure for educational supervisors in CPS when a collective bargaining impasse occurs in order to reach an agreement.
HB 0460	Allows a student who is an Illinois resident to apply or receive consideration for any student aid or benefit funded or administered by the state, any agency, a unit of local government, or administered by any public institution of higher learning.
HB 0663	Allows the Southeast Joliet Sanitary District to be dissolved and its assets, debts and responsibilities transferred to the City of Joliet, with any unneeded assets going to Will County.
HB 0850	Provides that if a FOID Card applicant is determined to pose a clear and present danger to themselves or others, the state must deny the application, or suspend or revoke their FOID Card. Requires the FOID Card Review Board to establish an expedited review process for appeals.
HB 1062	Prioritizes the connection of anchor institutions to the Illinois Century Network based on the type of institution.
HB 1075	Contains the Fiscal Year Year 26 Budget Implementation Bill.
HB 1082	States that municipalities under 1,000 residents without debt or utility ownership will only need to file an annual financial report, while those with debt or utilities must also complete an audit every four years.
HB 1083	Provides gender-neutral descriptions showing a person's marital status on a variety of deeds and real estate documents, and provides gender-neutral descriptions for forest preserve district commissioners' titles.
HB 1158	Provides that bonds, notes or other forms of indebtedness for specific purposes can be issued periodically in an amount not to exceed \$250,000,000 in any single budget year.
HB 1168	Exempts certain children's programs offered by arboretums from being considered day care centers.
HB 1270	Allows licensed health care professionals to place their existing license on "volunteer status," rather than receiving a separate volunteer license, allowing them to provide care at free clinics without added costs for the state.
HB 1278	Prohibits an employer from retaliating in any way against an employee if the employee used employer-issued equipment to record a crime of violence committed against the employee.
HB 1287	Requires nursing homes to have an automatic external defibrillator by Jan. 1, 2030. Requires all persons certified to use an AED to have completed course in CPR and AED usage.
HB 1302	Provides that a defendant may, at any time following a conviction, file a motion to vacate one or more offenses reported to have been committed as a result of the defendant having been a victim of human trafficking.
HB 1331	Requires the Department of Insurance, on a voluntary basis, to consider establishing ratios for genetic counselors and genetic medicine.

HB 1332	Requires hospitals to present a patient with the opportunity to designate an emergency contact, to authorize the hospital to share protected health information with that contact and to disclose death of a patient to emergency contact as soon as practicable.
HB 1364	Extends the expiration date of the Joliet Arsenal Development Authority by 5 years until 2030 and provides that, upon the abolition of the Authority, all of its rights and property must pass to Will County.
HB 1365	Allows individuals to practice with a pending license application in the fields of clinical psychology, clinical social work, marriage and family therapy, music therapy and clinical professional counseling.
HB 1366	Ensures that all parental notification for Individualized Education Program meetings inform parents that they may invite other individuals to assist who have special expertise regarding the child. ISBE must notify school districts of the IEP facilitation.
HB 1367	Makes various changes in the rules surrounding township holdings and conveyances of open spaces.
HB 1431	Requires hospitals to develop a policy to inform patients they may be charged a facility fee if they charge this fee for outpatient services separate and distinct from a professional fee.
HB 1501	Increases the current debtor exemptions seven times on the debtor's homestead estate, personal property, motor vehicle, tools of the trade, and personal injury award.
HB 1575	Prohibits a county recorder from assessing a fee for modification of an unlawful restrictive covenant or for copies of any records necessary to file the modification.
HB 1576	Modernizes the Court of Claims by providing consistency in electronic filing and remote participation.
HB 1597	Prohibits involuntary termination of residency for medical reasons at an assisted living facility or nursing home if a hospitalized resident's return to a facility would not create imminent danger to the resident or others, or if the danger can be mitigated by changes in a care plan.
HB 1605	Expands a conservation right to include preserving cultural heritage sites and provides that an owner of real property or holder of a conservation right may give a conservation right to a federally recognized Indian tribe and that such rights may be enforced in an action seeking injunctive relief.
HB 1615	Permits the United States national flag to be displayed on the grounds of a courthouse, rather than only on top of the courthouse.
HB 1616	Allows part-time employees of local governments, board of election commissioners, or private employers with 51 or more employees to use up to 10 days in any 12-month period to serve as an organ donor.
HB 1628	Expands the reporting requirements for law enforcement agencies after the seizure of property under State law.
HB 1631	Clarifies the scope of Department of Innovative Technology's authority by updating definitions and requires the Department to cover transferred agencies and may assist other non-transferred State Agencies upon request.
HB 1697	Requires a registered pharmacy benefit manager to submit \$15 per covered individual enrolled by the PBM in the state during the preceding calendar year. Creates a grant program under the Illinois Department of Commerce and Economic Opportunity for disbursement by a statewide retail association for pharmacies.

HB 1699	Establishes operator-in-training programs run by the Illinois Environmental Protection Agency for wastewater and community water-supply systems, allowing individuals without a high school diploma to work under certified operators if they meet certain competency, safety, character and examination requirements.
HB 1710	Requires the Illinois Criminal Justice Information Authority to study and compile a public report on homicides and specific firearm crimes by law enforcement agency.
HB 1712	Requires the Illinois Department of Public Health to provide training materials to staff on how to accurately complete a Physician Orders for Life Sustaining Treatment form and support individuals in making informed end-of-life treatment decisions.
HB 1787	Requires school districts to provide training to all substitutes for school evacuation drills and law enforcement lock down drills.
HB 1859	Prohibits a course, in lieu of a primary instructor, to use artificial intelligence or a generative artificial intelligence program and places the course instructor in charge of meeting that qualification.
HB 1908	Empowers the executive director, with board approval, to appoint a deputy executive director under their supervision; this deputy must be selected solely on administrative and technical qualifications, irrespective of political affiliation.
HB 1910	Requires public libraries to have an accessible source of an opioid antagonist and take the necessary steps to have at least one employee who is trained on administering opioid antagonists during operating hours.
HB 2179	Requires assisted living facilities to report serious injuries to the state but clarifies they don't need to report normal health declines.
HB 2327	Creates an exemption for minors 14 and up as it relates to them working as a scorer at the World Shooting and Recreational Complex on the dates of the U.S. Open and the Grand American World Trapshooting Championships.
HB 2336	Allows municipalities and fire protection districts to charge fees for lift-assist services provided to assisted living or nursing home facilities after the sixth lift-assist of the year.
HB 2339	Allows the Illinois Department of Natural Resources to suspend the sharpshooting program, which is used to manage deer herds with Chronic Wasting Disease, in counties that do not have any cases for three calendar years.
HB 2340	Allows for additional eligibility for the Landowner Deer permits without charge.
HB 2346	Requires the Illinois Department of Public Health to maintain and publish information on the names and locations of pharmacies participating in the Illinois Drug Reuse Opportunity Program, while creating educational awareness on the program for pharmacies and the general public.
HB 2387	Clarifies provisions on involuntary outpatient commitment and removing some restrictions to make it easier to use.
HB 2390	Establishes a process by which a school board can withdraw their school district from a special education cooperative that the district has with other school districts.

HB 2391	Allows the use of treated municipal wastewater for industrial purposes.
HB 2397	Requires the Department of Corrections to prepare and publish an annual report regarding the Department's hospice and palliative care programs.
HB 2409	Phases out the sale of firefighting personal protective clothing and equipment containing added PFAS chemicals in the state, beginning with mandatory disclosure for clothing in 2026, progressing to a ban on clothing in 2027, and a ban on clothing and equipment in 2030.
HB 2419	Requires a governing body to ensure a local siting review hearing is accessible to individuals with disabilities and non-native English speakers and allows the governing body to request studies on emissions related to traffic.
HB 2425	Prevents life insurance companies from denying coverage, limiting benefits, or charging higher rates for final expense policies just because someone has a past felony conviction. However, the bill does not require companies to offer coverage to people who are currently incarcerated.
HB 2456	Prohibits a third-party restaurant reservation service from listing, promoting or selling reservations for a restaurant without a written agreement with that food service establishment.
HB 2462	Expands who can acquire an epipen.
HB 2464	Provides that as long as a nonparticipating provider bills neonatal intensive care as an emergency service, the insured cannot incur greater out-of-pocket costs than they would have incurred with a participating provider or facility.
HB 2474	Prohibits retaliatory action against a nursing home resident. Provides that in cases where retaliatory action is made against a resident, that resident may file a civil suit against the nursing home.
HB 2506	Clarifies that any additional fee collected for the issuance and renewal of the military series registration plate, must not be included in the fee waiver for regular registration fees incurred by veterans with service connected disabilities.
HB 2517	Expands implicit bias training for health care workers in Illinois to include training in potential maternal health risk factors associated with increased mortality rate.
HB 2546	Clarifies the timing of youth parole hearings. Allows petitioners who were convicted under the age of 21 to petition for parole three years before they are eligible for parole review, but their hearing cannot be scheduled sooner than one year after their petition is appropriately filed.
HB 2548	Prohibits the sale, promotion and distribution of sexual assault evidence collection kits by any person other than a medical professional.
HB 2551	Reinstates the First Responders Task Force to study recommendations to reduce the risk and rate of suicide among first responders, while adding new members appointed by the Senate President and Speaker of the House.
HB 2562	Provides that the guardianship training program under the Guardianship and Advocacy Act shall consist of two components: (i) one for guardians of the person; and (ii) one for guardians of the estate, the contents of which shall be determined by the State Guardian.

HB 2572	Specifies the Department of Veterans Affairs determines eligibility for the Deceased, Disabled, and MIA/POW Veterans' Dependent Scholarship and the Deceased, Disabled, and MIA/POW Veterans Dependent Education Opportunity Grant by rule.
HB 2586	Clarifies that indemnification provisions only apply for law enforcement based intergovernmental entities that include the Illinois State Police as a party. Creates Alicia's Law regarding investigation of internet crimes against children.
HB 2589	Requires pharmacists to sell sterile hypodermic syringes or needles to any qualifying individual who needs them for the proper utilization or administration of medications, based on their professional and clinical judgement.
HB 2602	Extends the standard limitations period for criminal offenses by providing that when the victim is under 18 years of age at the time of the offense, a prosecution for involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons and related offenses may be commenced at any time.
HB 2688	States that written collaborative agreements cannot prohibit a certified nurse midwife from providing home birthing services and allows physicians to collaborate with certified nurse midwives in Health Professional Shortage Areas.
HB 2690	Updates references of "child pornography" to "child sexual abuse material" throughout the criminal code and adds comprehensive definitions of charges, extends protections for survivors of human trafficking, and expands services provided to witnesses.
HB 2726	Allows the Illinois Department of Natural Resources to take measures so that they may exercise all rights, powers and duties conferred by law to take measures that that are necessary for the implementation of rewilding as a conservation strategy in Illinois.
HB 2751	Prohibits the selling of cars by car dealers in locations other than their dealership. Allows law enforcement to authorize a towing company to remove a vehicle if it is offered for sale with the VIN number altered or removed.
HB 2755	Contains the 2025 Revenue Omnibus.
HB 2774	Codifies the Department of Human Services' 24-hour State-wide domestic violence hotline and requires the department to work with a non-profit agency or organization to design, implement, support, and coordinate the Domestic Violence Hotline system.
HB 2802	Allows participation in Supervised Career Development Experiences and other approved work-based learning activities to count toward the daily calculation of school clock hours.
HB 2849	Prohibits a park owner from requiring a tenant to pay for utility services used in a common area. If the utility usage is not separately measured, the park owner may not charge the tenants for more than 80% of the utility services for which the park owner is billed.
HB 2874	Provides an exception to the prohibition of marketing, advertising, or labeling of any product containing ephedrine for stimulation, mental alertness, weight loss, appetite control, or energy.
HB 2877	Requires the existing Hospice and Palliative Care Advisory Board to submit a report by Dec. 31, 2026 that includes data and recommendations regarding non-hospice palliative care.

HB 2977	Requires municipalities with populations over 500,000 to set aside 10% of the funds received from insurers for ambulance or fire services into a dedicated account, used to purchase and maintain emergency service vehicles.
HB 2986	Includes a continuation of the State Board of Education's efforts to streamline the school code provisions and amend or repeal outdated, contradictory, and problematic provisions of the school code.
HB 2994	Allows a parent or guardian of a minor who receives special education services, regardless of the minor's age, to have access upon request to the mental health records of the minor for services that the parent or guardian consented to on the minor's behalf.
HB 3000	Requires all school districts serving students in grades 6 through 12 to have the National Suicide Prevention Lifeline (988), the Crisis Text Line and the Safe2Help Illinois helpline on all employee IDs.
HB 3019	Prohibits prior authorization for medically necessary outpatient and partial hospitalization mental health treatment services. Requires private insurers to reimburse individuals for travel costs.
